

223 PEARL STREET

Jerry Griffith reported a vacant house at 224 Pearl Street that is dangerous. She said the house has been vacant for quite some time. Building Commissioner Segraves said he would take care of it.

HEART WALK

Jamie Longacre appeared before the Board to get approval for the Heart Walk street closings. The walk is on Saturday, September 27, 2008. Engineer Miller made the motion to approve the street closing, seconded by Councilperson Wilson and carried unanimously.

MOWING AND LANDSCAPING SERVICE CONTRACT

Engineer Miller made the motion to approve a contract with Walnut Ridge in the amount of \$5,406.00 for mowing and landscaping at City Hall, seconded by Councilperson Wilson and carried unanimously.

DIRECTIONAL BORING

Engineer Miller said someone called him that wanted to do directional boring. He said some cities don't allow directional boring and he doesn't think Jeffersonville should either. He said when mistakes are made it is too costly to repair the damage. After some discussion Engineer Miller made the motion to put a six month moratorium on directional boring starting on this date, seconded by Councilperson Wilson and carried unanimously.

EC NET

Bill Beam appeared before the Board to get permission to hold a charitable event on Mulberry Street the day of Thunder. The Dream Factory is to auction off a motorcycle and the Boy Scouts want to have a concession. There will also be a family area with activities. Engineer Miller made the motion to approve the event and close Mulberry Street between Riverside Drive and the alley, seconded by Councilperson Wilson and carried unanimously.

COMPLAINTS ABOUT ALLEY

Councilperson Wilson said she received a call in regard to the alley between 721 and 725 Wall Street that was approved on March 19, 2008 to be gated in order for boats to be worked on. The caller said the neighbors were not notified of this and the advertisement in the paper had the wrong address. Mayor Galligan said there are other alternatives to getting in and out of the alley. After some discussion, Mayor Galligan said this would be dealt with at the next meeting.

ROSE AVENUE STREET LIGHTS

Councilperson Wilson said three or four streetlights are needed on Rose Avenue. Mayor Galligan said someone other than Duke Energy should do the work to save money.

SWEEPER BIDS

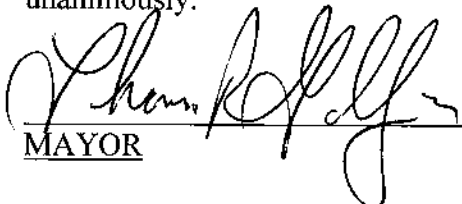

Bids were received from Best Equipment and Municipal Equipment.

Best Equipment \$165,837.43

Municipal Equipment \$175,556.00

Engineer Miller made the motion to take the bids under advisement for one week, seconded by Councilperson Wilson and carried unanimously.

There being no further discussion to come before the Board, Engineer Miller made the motion to adjourn the meeting at 10:17 a.m., seconded by Councilperson Wilson and carried unanimously.
